

2005 Bills

HB05-1011 Trash Recyclable Loads Transportation

This bill made Colorado law conform to federal law for the transportation of trash recyclable loads.

HB05-1156 Water Adjudication Notice Requirements

This bill increased the efficiency of state water courts by allowing them to use technology more efficiently.

HB05-1157 Limiting Supplemental Evaluations in Divorce

In order to protect children in contested divorce proceedings, this bill limits the number of evaluations of a child to two, unless a judge allows more.

HB05-1203 Distribute High Cost Support Fund Fairly

This bill distributes the high cost support fund for telephone companies fairly among all the companies, including those in the rural areas.

HB05-1324 Food Distribution Administrative Fees

This bill maintained funding for the school lunch nutrition program.

SB05-147 Modify Respiratory Therapy Practice Act

This bill allows for the certification of respiratory therapists.
